

FORTY ACRES SCHOLARS PROGRAM

Since its inaugural class in 2011, the Texas Exes Forty Acres Scholars Program has grown into one of the most elite and competitive scholarships in the country. The Forty Acres Scholars Program inspires and nurtures visionary leaders and helps them use their talents to benefit society. The program provides students with a four-year, full-ride scholarship and an unparalleled college experience. It serves as the premier recruiting platform for UT and is one of the most prestigious undergraduate awards in the nation.

The Forty Acres Scholars Program provides students with academic, leadership, and cultural experiences that enrich their lives and set them up for great success.
