PROGRAM OVERVIEW

SINCE ITS INAUGURAL class in 2011 of 10 scholars, the Forty Acres Scholars Program, administered by the Texas Exes, has grown into one of the most elite and competitive scholarships in the country. The premier full-ride, merit-based program for The University of Texas at Austin, is unique in its dedication to a close-knit and diverse cohort community, and the access it gives scholars to successful alumni. Not only does the program significantly raise the prestige of the university, it develops a community of students who will become dedicated alumni themselves after graduation.

For more than a century, the Texas Exes has been awarding scholarships that are far more than just a check. We take great pride in supporting the education of these talented young people and guiding them through their time on campus. Forty Acres Scholars are dynamic leaders who go out and change the world, while staying closely connected and engaged with their alma mater. In just a few short years the program has truly been transformative for the association and the university.

As another graduating class of scholars begins their professional lives, the program will welcome the Class of 2021 who stand out by excelling academically, leading their peers, and making meaningful contributions to their communities.

All of us at the Texas Exes wish to thank the donors and volunteers who have helped this program make such a profound impact on campus and beyond. The following is a summary of another successful year for this growing program. We look forward to many, many more!

PROGRAM HIGHLIGHTS

SCHOLAR COMMUNITY

PROGRAMMING THROUGHOUT THE YEAR is designed to create a bond between Forty Acres Scholars that will last for four years, and beyond. These fun events are meaningful opportunities for scholars to connect with others outside of their cohort.

ALL-SCHOLAR MEETING

At the beginning of each semester, scholars come together for teambuilding and a housekeeping meeting. The spring meeting featured a teambuilding session led by The Drum Café. The facilitator did a great job of recognizing the accomplishments of the scholars and encouraging them to continue to stay in rhythm with the program throughout the year.

SCHOLAR FAMILIES

During the fall semester, the Scholar Families Committee plans mixers for the freshman and sophomore scholars to meet and get to know one another. The committee then matches every freshman scholar with a sophomore scholar based on preferences, and the freshman scholar joins the Scholar Family. Each family is comprised of scholars from every cohort, allowing peer-to-peer mentoring across all years. Families are given a stipend each year to plan and organize outings.

BROADWAY IN AUSTIN

Each year scholars attend a Broadway in Austin performance at Bass Concert Hall. This year, scholars had front row seats to see the classic performance of The Phantom of the Opera.

SCHOLAR THANKSGIVING

A new event this year, Scholar Thanksgiving allowed scholars to come together before the holiday and enjoy dinner and company with one another. The event also served as a service opportunity, with scholars donating canned food and coins for a local food pantry.

HOLIDAY PARTY

On the last class day of the fall semester, scholars de-stress from final exams and papers with ornament and cookie decorating.

FORMAL

Before leaving for the long winter break, scholars come together to celebrate the end of the semester. The Formal Committee chose Abel's on the Lake as the venue for this year's event, which provided a nice view of the holiday light show at Mozart's next door.

PERSONAL & PROFESSIONAL DEVELOPMENT

SCHOLARS ARE PROVIDED exclusive personal and professional development opportunities through the program.

ETIQUETTE DINNER

Each year, scholars are invited to attend an etiquette dinner led by Sharon Schweitzer with Protocol & Etiquette Worldwide. Freshman scholars are required to attend, and older scholars are strongly encouraged to brush up on their dining skills prior to fall events.

INDUSTRY BREAKFAST

Scholars interested in the finance were invited to hear from members of the 1883 Council who work in the industry. A pilot event this year, the breakfast was well-received by both scholars and finance professionals.

COMPANY INFORMATION SESSIONS

Representatives from companies host private networking events for scholars throughout the year. These events allow scholars one-on-one access to learn more about the company. This year, scholars had the opportunities to hear from:

- Bain
- Boston Consulting Group
- Facebook
- McKinsey & Company

FORTY ACRES DISCUSSIONS (FADs)

FADs SERVE AS an opportunity for scholars to hear from alumni and special guests on a specific topic or more generally, the pathways that led the individual to where they are now. The informal setting allows discussion between the speaker and scholars to share and learn. This year's FAD speakers were:

- **Judge Ricardo Hinojosa:** Judge Hinojosa, BA '72, Distinguished Alumnus, is a federal judge for the United States District Court for the Southern District of Texas.
- **Creativity for Peace:** Donors Jeanne and Mickey Klein arranged for the executive director and young leaders from Creativity for Peace, an organization that trains young Israeli and Palestinian women to partner as leaders by transforming anger and prejudice to mutual respect, facilitating an understanding of the other, and inspiring action to promote equality and peace.

COHORT RETREATS

COHORT RETREATS are a critical element of creating and maintaining the bonds and friendships that will strengthen the scholars throughout their four years on campus.

CLASS OF 2020 FRESHMAN RETREAT

The purpose of the freshman retreat is to create the cohort bond and outline the program requirements and expectations. The annual two-day retreat in August is held at the JW Marriott Hill Country Resort and Spa in San Antonio. Scholars bonded over s'mores and free time at the waterpark. During the program discussion, scholars were split into small groups to discuss expectations for themselves, as well as their cohort, for the next four years. At the end of the retreat, scholars wrote reflection letters to themselves, which will be returned during their senior year.

CLASS OF 2019 SOPHOMORE RETREAT

The Sophomore Retreat Planning Committee executed a successful retreat to the Hill Country in November. The committee planned a hiking tour of Canyon Lake Gorge, followed by an overnight stay in Wimberly.

ALUMNI EVENTS

SCHOLARS ARE INVITED to attend many events with successful alumni throughout the year. UT's alumni network is dedicated, generous, and most importantly, everywhere.

TEXAS EXES FALL KICKOFF PARTY

Many scholars attended the event, which honored the recipients of the Outstanding Young Texas Exes Awards, including former basketball player Kevin Durant.

DISTINGUISHED ALUMNUS AWARDS

Each year, the Texas Exes honors alumni who have distinguished themselves professionally and through service to The University of Texas. Scholars had the opportunity to congratulate this year's recipients, including Governor Greg Abbott and donor Pete Geren.

CLASS OF 2018 JUNIOR RETREAT

The Junior Retreat Planning Committee planned a day of exploration along the Guadalupe River, followed by an overnight stay in a country house in Kyle. The rainy day in April did not stop the scholars from enjoying their outdoor adventure.

CLASS OF 2017 SENIOR TRIP

Days before classes resume in January, senior scholars gather one last time before going their separate ways. This year's senior cohort traveled to Canada for four days. The trip began with an overnight stay in Calgary, where scholars visited Calgary Olympic Park and cheered the local Calgary Flames on to victory at an NHL game. The group then journeyed to Banff for the remainder of the trip. Highlights include ice skating at Lake Louise, cross-country skiing, and hiking Johnston Canyon within the Banff National Park.

DINNER AT LONGHORN VILLAGE

The Longhorn Village staff paired scholars up with residents from the retirement community for dinner. Scholars enjoyed meeting the residents and hearing their stories. Following dinner, residents and scholars were treated to a magic show by scholar Giancarlo Bernini.

FORTY ACRES SOCIETY EVENTS

Society events are a great opportunity for scholars to network with members of the society as well as hear from guest speakers. Scholars were invited to the annual tailgate, as well as to events featuring Distinguished Alumnus Bob Inman, UT Men's Athletics Director Mike Perrin, UT Executive Vice President and Provost Maurie McInnis, and a tour of Dell Medical School.

SERVICE

THE SERVICE COMMITTEE planned activities throughout the year to encourage scholars to donate their time and give back to the community.

LONGHORN HALLOWEEN

The Service Committee set up a pumpkin decorating booth at UT's annual event. Scholars helped kids decorate 160 pumpkins throughout the event. We learned that for next year we need more pumpkins and less glitter!

CANNED FOOD/COIN DRIVE

Scholars were encouraged to bring canned food and coins with them to Scholar Thanksgiving. The Service Committee purchased additional canned food with the coins. In total, 164 pounds of food was donated to Caritas of Austin.

FRESHMAN DINNER SERIES

FOR EIGHT WEEKS throughout the fall semester, the freshman scholars gather each week on Wednesday night for dinner and discussions with UT faculty, special guests, and older scholars in the program. This year's series featured:

- Texas Exes Management Team
- Scholar-Led Panel: What I Wish I Had Known My Freshman Year
- Dr. John Daly, Moody College of Communication
- Moonlight Prowl with Jim Nicar
- UT Counseling and Mental Health Center
- Dr. Michele Rountree, School of Social Work
- Dr. Jeremi Suri, Lyndon B. Johnson School of Public Affairs; College of Liberal Arts
- Scholar-Led Panel: How I Used My Enrichment Funds and What I Learned

SCHOLARSHIP DINNER

EVERY FALL, donors, scholars, parents, UT faculty and staff, and program supporters come together to recognize the scholars and their accomplishments. The highlight of the dinner is hearing from the senior scholars as they reflect on their time in the program and on the Forty Acres.

STAMPS CONVENTION

THE STAMPS FAMILY CHARITABLE FOUNDATION hosts a biennial convention designed to connect Stamps Scholars across the nation in order to create a network and achieve the following goals:

- Empower Scholars to make a positive contribution to the world
- Promote sustainable bonds through intellectual discussion
- Highlight participating Stamps schools and their programs
- Give thanks to Mr. and Mrs. Stamps

Stamps Scholars traveled to Atlanta, Georgia where the convention was hosted by Georgia Tech. This year's keynote speakers were:

- **Elisa Villanueva Beard**, the current Chief Executive Officer of Teach for America
- **G. Wayne Clough**, Secretary Emeritus of the Smithsonian Institution and President Emeritus of the Georgia Institute of Technology

Scholars had the opportunity to participate in lectures, activities, tours and small-group discussions in their chosen thread topic. A new event at this year's convention was the Stamps Service Challenge, which aims to apply Scholars' skills to real-life challenges faced by organizations.

COMMENCEMENT RECEPTION

EACH YEAR DURING THE GREAT TEXAS EXIT, senior scholars are invited to a private reception at the Alumni Center prior to the university-wide Commencement. With their families present, the Class of 2017 cohort was toasted for a great four years. Scholars were reminded to stay connected with the program and encouraged to give back to the program in various ways as alumni.

ENRICHMENT STIPEND

FORTY ACRES SCHOLARS have a world of opportunity at their feet. Scholars receive a \$13,000 stipend for at least one enrichment activity during their UT career. These funds allow them to attend conferences, conduct original research, gain work experience through internships, serve in volunteer positions, and study abroad. Each scholar designs an experience best suited to his or her individual goals.

These amazing experiences transform scholars' lives, challenging them to excel outside the Forty Acres and accelerating their personal and professional growth. Recently, scholars have studied history in Spain, conducted biochemical research in Italy, played the oboe in Japan, and much more.

JANELLE CHAVEZ – SERVICE IN LIMA, PERU

“It was the most enlightening and inspiring experience. Growing up in South Texas, a medically-underserved area in the U.S., I have always had an innate desire to one day practice medicine in areas of greatest need. Volunteering with Global Medical Training truly expanded my perspective and spurred my passion. Now, more than ever, I am inspired to make a positive, widespread impact through medicine and prevention—both close to home and afar.”

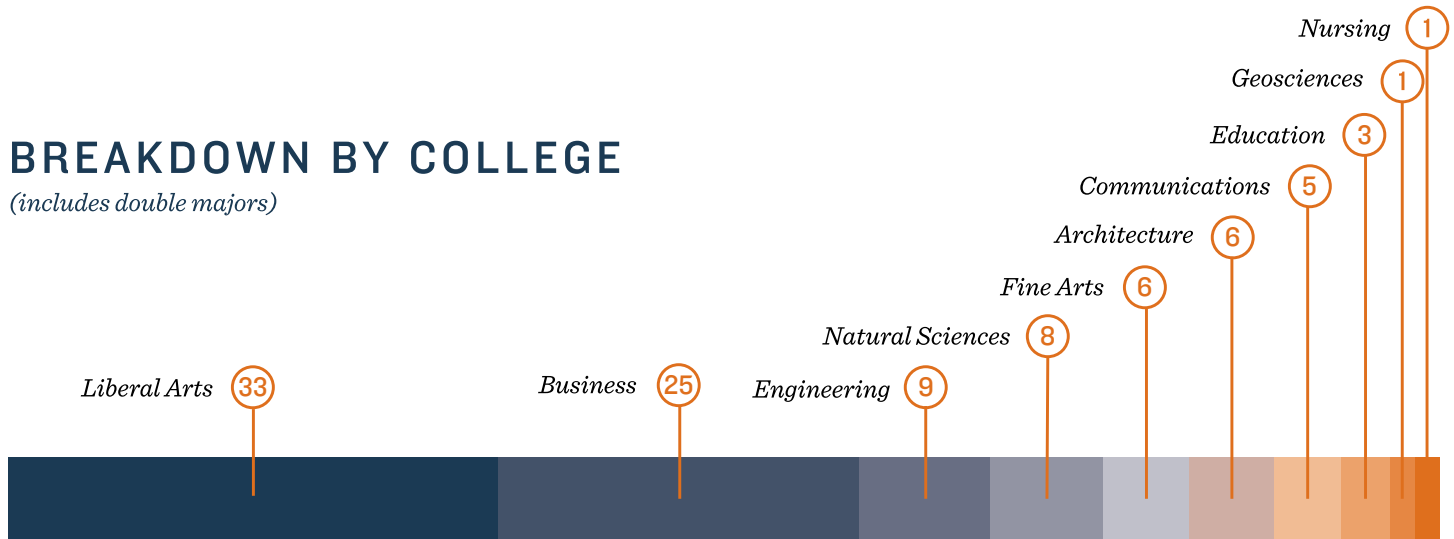

KATIE MARK – STUDY ABROAD IN EUROPE

“Studying abroad was an absolutely fantastic experience. As an architecture student, it enriched my understanding of space in a way that 3D models and drawings sampling can’t capture. Traveling to so many countries and learning about their respective cultures significantly broadened my perspective of the world, taught me to empathize more readily, and further stimulated my intellectual curiosity. I will cherish the memories from this semester long after graduation!”

APPLICATION & SELECTION

CONSIDERATION FOR THE Forty Acres Scholars Program requires high school seniors to complete the Texas Exes freshman scholarship application, as well as a supplemental essay specific to the program. The application opened in early September.

Following the December 1 deadline, the Texas Exes scholarship staff reviewed nearly 5,000 applications, narrowing down to just over 200 quarterfinalists. Representatives in almost every UT college reviewed the applications and recommended students for the semifinalist round. Semifinalists participated in a phone interview conducted by alumni volunteers.

From March 2-4, 45 finalists came to Austin for Finalist Weekend, where they interacted with current scholars, learned more about the campus, and got a glimpse of what their future life in Austin could look like. Highlights from the weekend included an appearance by the Longhorn Band at the Welcome Dinner, photo opportunities with Hook 'Em while touring Darrell K Royal-Texas Memorial Stadium, and dinner at The Headliners Club in downtown Austin. The weekend concluded with two 15-minute interviews with a small panel comprised of alumni, campus representatives, and senior Forty Acres Scholars.

The 14 scholars selected for the Class of 2021 range from writers to musicians, athletes to philanthropists. Among the incoming class is a playwright, an award-winning violinist, and a Presidential Gold Service Award recipient. Many more are student government leaders, AP Scholars, and newspaper editors.

FORTY ACRES SOCIETY

FORTY ACRES SOCIETY MEMBERS advance educational excellence and enjoy exclusive access to events at the university. Their gift directly supports the enrichment activities of the Forty Acres Scholars, including professional development, leadership training, cultural and educational opportunities outside of the classroom, and global experiences. The Forty Acres Society is not only an opportunity to support excellence at The University of Texas at Austin, but also a wonderful way to remain engaged through a network of other service-minded and outstanding alumni leaders. It's also a forum to discuss innovative ideas from administrators, faculty, alumni, and coaches.

To learn more about the Forty Acres Society, contact Candice Young at 512-840-5618, or visit texasexes.org/fortyacressociety.
