

CHAPTER and NETWORK EMAIL POLICY

Requesting Emails:

- All email content information should be emailed to emailrequests@texasexes.org in the required Email Request Template (see below)
 - If you have questions about submitting an email request, please contact Molly Roberts, molly.roberts@texasexes.org
- **The deadline to submit an email request is Wednesday, 12 pm (CST) each week.** You must submit your request **at least 2 business days** before the email send date; this gives us enough time to create the email and send a proof.
 - Ex. If you'd like an email sent on Friday, all content must be submitted by Wednesday morning.
 - Chapter emails are sent out on **Wednesdays, Thursdays, and Fridays** only.
 - Send date is contingent on proof/edit approval timeline from the Chapter/Network leader who submits the form.
- A request must be submitted for every email you'd like to send, even if the email has repeat content; this allows for your email allotment based on your * status to be tracked accurately
 - Chapters are allotted **12, 20, 30, or 52 emails per charter year based on their *status**
- If more than one person is contributing to the email, have everyone proof it and give their approval *before* sending to our staff.
 - **Only one person in the Chapter/Network will be sent the proof.** Keep in mind that having more than one person look at the proof can delay the process.
- If you want an image included in the email, send it as a JPEG/PNG attachment with your email request to emailrequests@texasexes.org

General Timeline:

1. Chapter/Network leader requests an email using the required template to emailrequests@texasexes.org
2. Email preview is created by a staff member in our Communications Team and sent to a chapter/network leader within 1-2 business days by a staff member in the Chapters and Networks Department
3. Email is edited/proofed by chapter leader and then approved to send out (~1 business day)
