TEXAS EXES ASSOCIATION

Who we are:

The Ex-Student's Association (ESA), or commonly known as Texas Exes, is an independent, non-profit, membership-supported organization that exists to promote and protect The University of Texas at Austin and unite alumni around the world.

Mission:

Though we carry it out in countless different ways, the Texas Exes' mission is simple:

Unite alumni and friends around the world, create a passionate voice that strengthens the university, promote alumni accomplishments, and celebrate Longhorn spirit and traditions.

Our Vision:

Alumni of The University of Texas at Austin are known around the world for their collective contribution to society.

What We Do:

- Keep alumni connected and engaged with their alma mater
- Advocate on the university's behalf and support its mission
- Enrich the student experience before and during their time on campus
- Communicate the value of the university
- Foster a welcoming environment and home on campus for Longhorns and friends
- Preserve the traditions of the university

Whether it's through scholarships, teaching awards, legislative advocacy, *The Alcalde* magazine, or just plain fun (like hosting a huge tailgate party before every home football game), the Texas Exes exists to support The University of Texas and its proud traditions.

Texas Exes Association Non-profit status:

The Texas Exes is classified as a 501©3 corporation by the IRS.

- This non-profit status does not officially apply to individual chapters/networks. Chapters and networks are considered components of the Association unless they have filed as a separate 501©3 organization.
 - We do not recommend that groups file as their own non-profit until they have met with Texas Exes Association staff to discuss implications.
- As a component of the Association, individual chapters and networks must also comply with the rules and laws that apply to the Texas Exes Association.
 - Principally, by not participating in support of political or religious activities and what the IRS calls “active marketing” for a for-profit concern.
- When the Texas Exes Association receives donations in benefit to a chapter/network directly via phone, online, mail, etc. the donation is considered a tax-deductible charitable contribution. Donors then receive a tax-receipt directly from the Texas Exes Association.
 - Since chapters/networks are not their own non-profit organization, they cannot distribute tax-deductible donation receipts. This is one reason why chapter/network donations must be received using the Association’s technology platforms.

Contact the Association:

The Texas Exes Association consists of many departments that work together to fulfill our Mission and Vision. **Texas Exes Chapter and Network Leaders work directly and primarily with our Chapters and Networks Department staff; please do not contact other departments for Chapter and Network related inquires until you have spoken to a Chapter and Network Department staff member first.** The department contact list is accessible online at www.texasexes.org/about-us/contact-us. We encourage leaders to bookmark this website to share when alumni have general Association questions.

CHAPTERS & NETWORKS

TEXAS EXES CHAPTERS AND NETWORKS DEPARTMENT

The Texas Exes Chapters and Networks program provides a vital role to the Texas Exes—our Chapters and Networks allow alumni to reconnect with the place they once called home. Texas Exes could not reach so many alumni, both members and non-members, without our geographic Chapters and affinity Networks. Chapters and Networks help increase Texas Exes membership while maintaining a connection between alumni and The University of Texas.

The Texas Exes Chapters and Networks Department consists of 3 full-time staff members that include 2 coordinators supervised by the department manager. These staff members are your primary contacts within the Texas Exes Association as a Chapter and Network volunteer leader.

The chapter and network leadership year runs from July 1st to June 30th of the next year, in alignment with the Association’s fiscal year. **Chapters and Networks must renew annually by June 1st**, which is accomplished by filling out and submitting the required forms online to the Texas Exes Chapters and Networks Department (required forms vary based on category). Once the forms are received, the renewal for each chapter and network is reviewed by Texas Exes staff for accuracy and then approved at the first Texas Exes Board of Directors meeting of the fiscal year (Approximately August/September). **A detailed explanation of the process and the documentation required for renewing a chapter is located under the “Chapter and Network Renewal & Chartering” section beginning on page 13.**

Goals and Purpose of Chapters and Networks:

- Extend UT beyond the boundaries of the Forty Acres to provide alumni with a connection to Texas Exes and the university.
- Promote membership to the Texas Exes Association
 - Memberships sustain Chapter and Network activities and are a critical link between members and the university.
- Support UT when athletic teams, members of the administration, or faculty travel to your area when appropriate
- Foster a positive community of fellow Texas Exes for new graduates and new members in your area.
- Provide diverse programming that represents various interests and age groups:
 - Student Recruitment, Development, and Engagement
 - Community Service
 - Serious Minded Content
 - Diverse Social Alumni Engagement
- Support UT students through enrichment programming and scholarships.

TEXAS EXES[®]

CHAPTERS & NETWORKS

What is a Chapter?

Domestic and International Chapters, both chartered and non-chartered, are local affiliates of the Texas Exes Association. Chapters are geographically bound alumni groups. Generally, chapters are defined by postal zip codes.

Examples are the Texas Exes Japan Chapter and the Texas Exes Chicago Chapter.

What is a Network?

Affinity Networks are affiliates of the Texas Exes Association. An affinity group is a group of people who share interests, issues, and a common bond or background, and offer support for each other. These networks are built to engage alumni in activities and philanthropy related to an affinity connection. Affinity networks are also actively engaged with local chapters. Many Alumni are members of both a geographic chapter and an affinity network!

Examples are the Texas Exes Rugby Alumni Networks and Texas Exes Hispanic Alumni Network.

ANNUAL RENEWAL & CHARTERING

Annual Chapter/Network Renewal:

Each year, all chartered and non-chartered chapters and networks are required to renew with the Association by completing an online form before June 1. This allows for existing chapters and networks to update officer information with the Texas Exes Association. All renewal requirements must be complete for chapters and networks to receive their resources for the new year and remain “active”. All renewal documents can be found and submitted online through the Texas Exes Chapter and Network Leadership Resources page under “[Chapter and Network Renewal Process](#)”.

Chartered vs Non-Chartered:

Our **chartered chapters and networks** must complete an annual agreement by June 1, have at minimum four board members (President, President-Elect, Treasurer, and Membership Chair), have Texas Exes Association BOD approved bylaws on file, and submit required documents annually to the Texas Exes Association.

Our **non-chartered chapters and networks** are required to submit an annual agreement by June 1, have at least one “Key Contact,” and submit required documents annually to the Texas Exes. Generally, our chartered groups are more active and established than our non-chartered groups. Many groups start at the non-chartered level and build their way up to chartered over the years. A Chapter/Network must be chartered to award scholarships.

Bylaws:

Chartered chapters and networks are required to have up-to-date, Association approved, bylaws on file with the Texas Exes Association. Chapters and Networks are expected to adhere to the governing policies outlined in these bylaws. Chapter and network bylaws reflect the Association's bylaws. As such, they must contain the sections on the template provided by the Association with some ability to edit.

Bylaws outline the chapter/network's governing procedures and rules; they help avoid and resolve conflict. Generally, bylaws commonly stipulate the officer roles, minimum and/or maximum numbers of board members, and term limits for board members. They might describe the frequency of board meetings, and what skills should be represented on the board. They most likely describe the number of votes necessary for a decision to be considered a valid action of the board and might designate some committees necessary to begin the initial work of the board. In short, the bylaws are intended to document key facts that establish the initial organizational structure and procedures of the chapter/network. They inform and provide a foundation for governing policies but are not intended to act as the sole governing policy document for the organization.

TEXAS EXES[®]

CHAPTERS & NETWORKS

Operating Procedures and Policies:

Operating policies are created by and used by the board of directors and volunteers to guide the accomplishment of the organizational work. In contrast to the governing policies, operating policies direct the volunteers how to accomplish their work in such a way as to be aligned with the direction and within the limits created by the governing policies.

Examples of operating procedures are payment operations, expense reimbursement procedures, budgets, social media/web policies, etc.

Chapter/Network Financial Best Practices

Every chapter/network should have policies for reimbursement of expenses, payment of invoices and cash receipts. Your chapter/network should operate with the following guidelines to help ensure chapter/network funds are used for chapter/network expenses.

- Always require original invoices and receipts. Copies can easily be changed without being detected. Require corresponding invoice, receipt, or voucher for any outgoing payments.
- All invoices must be approved for payment by the responsible chairperson.
- Reimbursement of expenses to a chairperson must be approved by the President. No member may approve his/her own reimbursement.
- Any unbudgeted expenses should be presented to the chapter/network board for approval. If an unbudgeted expense is anticipated, it is best to get the chapter or network's board approval before the expense is incurred.
- A positive cash balance should be maintained at all times and should allow for incidental expenses.
- Treasurers should deposit checks/cash within a week of their receipt and never receive cash back from the transaction.
- Two signatures should be required on each bank account and all financial transactions. Typically, this would be the President and Treasurer.
- Provide copies of banking statements to the chapter/network board at meetings. These statements should be timely to reflect the current month and year-to-date results.

EVENTS AND ACTIVITIES

Texas Exes Chapters and Networks around the world have put on events ranging from formal seated dinners to game watching parties, from fun runs and fishing tournaments to community service activities. Any activity that gathers UT alumni for the purpose of connecting with one another, promoting higher education, raising money for scholarships, or just having some fun, makes a good event for your chapter or network! Alumni have varied interests, so it is important to have a calendar with a variety of events to attract a wide range of alumni. Those alumni not interested in attending a monthly social hour might be interested in attending a speaker event.

We encourage chapters and networks to participate in two categories of events: **Key Priority Events** and **Social Alumni Engagement Events**

Key Priority Events - Any event that is either:

1. Student Development Events
2. Community Service Events
3. Serious Minded Content Events

1. **Student Development Events:** an event that encourages alumni to promote the University of Texas to potential and current students or raises scholarship funds.

- Dedicated Scholarship Fundraising Events (i.e. chapter scholarship dinners)
- Participate in Student Send-Offs in the Summer before the Fall semester.
- College Fairs and recruitment events

2. **Community Service Events:** an event that allows alumni to showcase the many ways in which they give back to the community as part of the University of Texas and Texas Exes.

- Participate in Texas Exes Project Worldwide in the month of February.
- Participate in a community service event throughout the year.

3. **Serious Minded Content Events:** an event that joins alumni with the purpose of championing the university through continuing education and/or networking.

- *Business Networking*
 - The Texas Exes offers creative and innovative events that allow Longhorns to come together for professional networking. Chapters and Networks have the unique opportunity to unite Longhorns in ways unlike any other networking

TEXAS EXES[®]

CHAPTERS & NETWORKS

groups. Organizing networking events can assist a Chapter/Network in reaching out to local alumni and growing their group.

- Utilize our [Longhorn Business Network](#) and [UT HookedIn](#) when planning these events.
- *Speaking Events*
 - Sample Topics: Education, Athletics, Legislative Issues, Cultural Issues, Areas of Study, Law, Global Development, Entrepreneurship, Foreign Policy, Technology, Medicine, etc.
 - Tips for Hosting a Speaking Event:
 - If you have more than one event a year with a speaker, then secure a variety of speakers to meet everyone's interest.
 - Ask the speaker early and have a few dates in mind.
 - If the speaker must travel to the event, the Chapter/Network should be prepared to cover their travel expenses.
 - Take advantage of faculty and personnel who may be traveling to your area for development purposes or to attend a conference.
 - All requests for coaches to speak must go through the Athletics Department. Please inform the Texas Exes Chapters and Networks Department of any Athletics requests made outside of our staff.
 - Contact The Texas Exes Staff to view the [Texas Exes Speakers Bureau](#) for speakers/topics that may be available for your area.
- *Cultural Events*
 - Host a monthly book club for your members.
 - Example: Read books written by UT alumni – a new listing appears in each issue of the *The Alcalde*.
 - If a UT author is in your area, then try to host a book signing party with them.
 - Tour local museums.
 - Meet after the tour at a local restaurant to discuss the exhibit.
 - Example: Organize a trip to the Houston Museum of Fine Arts for a current exhibit
 - Attend a local theater production.
 - Meet before or after the production for dinner or drinks.

Social Alumni Engagement Events - Any event that is social in nature and not a Key Priority Event. Some examples are listed below:

- *Family Oriented Events*
 - Have a family picnic at a local park.
 - For out of state Chapters, serve Texas BBQ or have a Texas-themed meal.

TEXAS EXES[®]

CHAPTERS & NETWORKS

- Host a family bowling night or skate night.
- *Young Alumni Social Events*
 - Host a pub crawl.
 - Come up with a theme.
 - Example: Beers around the world – visit local pubs
 - Arrange for bars to offer drink specials for your group.
 - Activity such as “party barge/boat”, or “camp themed” event
- *Happy Hour/Social Hour*
 - Partner with a restaurant or bar for special deals for the Texas Exes chapter/network
 - Social Hours are a great chance to promote membership and attract volunteers.
 - Host a joint happy hour with the alumni chapter of an upcoming sports opponent and schedule it the week of the game.
 - If you are in a large city, then try to alter the location so everyone has a chance to attend.
 - Do themed happy hours.
 - Example: Martini night – go to a bar that has a large menu of martinis
 - Host a wine/beer tasting or a winery/brewery tour.
 - Can be done in someone’s home or at a winery/brewery or restaurant.
- *Local Sporting Events*
 - If there is a professional team in your area, then buy a block of tickets and host a Texas Exes night at the game.
 - Most non-major sports are happy to work with groups on getting tickets.
 - Example: Minor league baseball, arena league football, major league soccer.
 - Plan a bus trip to a game → especially fun for out of state Chapters if the football, basketball, or baseball team is playing nearby.
 - Tailgate event to kick off the football season.
 - Bring in “football experts” to talk to the crowd.
 - Have a band end the event.
 - Meet before or after the game at a local bar or restaurant.
 - If a Texas team is playing in your city, then put together an event around the game.
 - Out-of-state Chapters & Networks – host a tailgate or small reception, depending on the sport, before or after the game

TEXAS EXES[®]

CHAPTERS & NETWORKS

- Do this with less marquee sports as well as the big-name sports so you're able to get a block of tickets and support a UT sport that doesn't get much recognition on the road.
- Example: If the Women's Soccer team is playing in your area, then arrange for a block of tickets and get your group together to attend the game.
- *Intramural Leagues or Running Groups*
 1. Create a sports team (softball, kickball, etc.) with alumni in your area.
- *UT Game Watching*
 2. Partner with a local bar or restaurant to host UT Football Game Watches for your chapter.
 - Work with the bar/restaurant for special drink/food deals
 - Negotiate with the venue for scholarship opportunities (Example: some bars give a percentage of profits to the chapter/network's scholarship fund)

**Be sure to promote drinking responsibly at these events.*

Chapters and Networks should host events that your alumni want to participate in and attend. Consider surveying your membership to better understand how to serve them.

We strongly encourage Chapter and Networks to partner with each other on Key Priority and Social Engagement Events!

MARKETING AND COMMUNICATIONS

The association provides a variety of tools to help Chapters and Networks spread the word to alumni about their activities:

1. Website

Each Chapter and Network has their own webpage hosted on the Texas Exes website at www.texasexes.org. It is the chapter and network leadership team's responsibility to update their site with events, contact information, and other details. (*for editing instructions, see "web manual" below*)

2. Emails

Texas Exes will send out marketing/newsletter emails to alumni in your area once an email is requested through our online form. All chapter/network alumni and "friends of the university" who have not opted-out of marketing communications from the university will receive your e-newsletters. This is an efficient, cost-effective way to share information about your group to your constituents. Email content must be submitted 3 business days prior to the send date of the email. Chapters & Networks are required to use the Texas Exes Association marketing system to communicate and market to alumni; **chapters and networks are prohibited from maintaining and sending mass-marketing messages to external data lists and/or through marketing systems outside of the Association's marketing system.**

○ Texas Exes Eventbrite Premium Accounts

- i. Chapters and networks who utilize the CHAPTER/NETWORK@texasexes.org Eventbrite account have the ability to email event attendees directly through the Eventbrite platform. This is helpful to communicate last minute changes and details prior to an event.

3. Paper Mailings

Mailers paid for by Texas Exes depend on a chapters' star status and Texas Exes staff approval. The paper mailings available to chapters are in the form of either a postcard or tri-fold invitation. A mailer request must be submitted a minimum of 8 weeks prior to an event. Texas Exes will pay for qualifying mailers for an event that is: community service, largest scholarship fundraiser, serious minded content, or another key priority event. Additional mailings or upgrades are at the expense of the chapter. Network mailers are at the expense of the network.

CHAPTER & NETWORK MARKETING EMAIL POLICY

Requesting Emails

- All email content information should be submitted with this [Email Request Form](#).
 - If you have questions about submitting an email request, please contact the Chapters and Networks Department Staff
- You must submit your request **at least 3 business days** before your preferred email send date; this gives Texas Exes Marketing team ample time to create the email, send a preview to the chapter/network, and make edits before a final email send.
 - Ex. If you would like an email sent on Friday, all content must be submitted by Tuesday during business hours.
 - Chapter/Network emails will be sent 24 hours after final approval. Please note that if approval is sent after business hours, our staff will review the approval the next business day.
 - Send date is contingent on proof/edit approval timeline from the Chapter/Network leader who submits the form.
- **All emails MUST be approved at least one business day prior to your preferred send date.**
 - **If email approval is not provided by the chapter/network leader the day prior to the preferred email send date, the send date will be pushed back 1 day.**
- This form must be submitted for every email you would like to send, even if the email has repeat content; this allows for your email allotment based on your * status to be tracked accurately
 - Domestic Chapters are allotted **12, 20, 30, or 52 emails per leadership year based on their *status**
 - Networks and International Chapters are allotted emails based on the engagement activities they are hosting each year
- If more than one person is contributing to the email, have everyone proof it and give their approval *before* sending your edits to our staff.
 - **Only one person in the chapter/network will be sent the proof.** Keep in mind that having more than one person look at the proof can delay the process.
- If you want an image included in the email, include a JPEG/PNG attachment in your email request submission form.

General Production Timeline:

- Email content will be reviewed and edited for style and clarity within 1-2 business days of receiving the request.
- An email preview will be built and sent to the chapter leader within 2 business days
- Chapter/Network leader is responsible to review the email and submit any necessary changes or approval.
- Once the email is approved by the chapter/network, it will be scheduled to be sent the next business day.
- **REMEMBER: All emails MUST be approved at least one day prior to your preferred sending date. If email approval is not provided by the chapter/network leader the day prior to the preferred email send date, the send date will be pushed back 1 day.**

Email Rules and Tips:

- Emails should:
 - Include a creative and informative subject line
 - Have informative and educational content that is primarily chapter/network related
 - The information should promote chapter/network engagement and must include at least one piece of content that is unique to the chapter/network
 - Ex. Chapter/network hosted event, alumni/student spotlight, letter from the board, etc.
 - University, community, and other information can be included if it is paired with information specific to the chapter/network
 - Provide all information alumni would need to attend an event such as venue name, address, time of event, parking, where to purchase tickets, etc.
 - Include links to social media event pages, external ticket sales, etc.
 - Include Chapter/Network leadership contact information
 - Above all else, your newsletter should match Texas Exes branding and content!
- Emails can include hyperlinks to a sponsor's website and a sponsor's logo if there is no conflict with an existing Association sponsorship agreement.
- Emails can and should be targeted to specific groups when appropriate.
 - Example:
 - An email can be sent to alumni that graduated in a certain range of years.

CHAPTERS & NETWORKS

- This would be helpful for a class reunion event, or an event targeted at a specific age range/graduation year.
- An email can be sent to specific zip codes/cities/etc.
 - This is helpful for Texas Exes Alumni Network satellite events.

Standalone Email Invites:

- Texas Exes can create a “standalone” email that is different than a weekly email newsletter. These emails use a graphic design benefit, have a different timeline than standard email newsletters, and require prior staff approval. Please contact a Texas Exes Chapters and Networks staff member to learn more.

SOCIAL MEDIA GUIDELINES

The Texas Exes encourages our chapters and networks to engage with the Longhorn community through social media. The following policy statement and guidelines are meant to assist you in your efforts, while protecting the interests and reputation of the Texas Exes. By posting as a chapter or network of the Texas Exes, you represent the Texas Exes and volunteers are expected to be aware of and adhere to these guidelines and policies whenever they use the Texas Exes name or [brand](#).

Section 1: Policies for all Social Media Sites

- **Inform us of your accounts:** When creating a new account for you chapter/network on any social media sites, email the Texas Exes Chapters and Networks Department staff letting them know the URL of your group, page, channel, etc. The Texas Exes will link these sites from our website, and this will allow us to publicize your digital presence. We require new chapters/networks set-up social media accounts using their @texasexes.org email account.
- **Naming and logo use:** All chapter/network social media sites should include Texas Exes and your specific chapter or network name in the site. Please use the format: "Texas Exes CITY Chapter" or "Texas Exes _____ Network" to ensure consistency. To be consistent with our brand, you are required to use your official chapter/network logo on the site. If you need a copy of your chapter/network logo, please contact the Texas Exes Chapters and Networks Department staff.
- **Transferring administrative status:** We know that chapter/network leaders change positions and sometimes rotate off boards. The current president should have administrative capabilities on your social media sites and your other board members should be given administrative capabilities as the chapter/network board sees fit. The current president should add incoming presidents to administrator status, and/or give them account administrator, but it is recommended that you remove the past presidents' administrative status after one year if they no longer have an active role in the chapter/network.
- **Respect copyright and fair use:** When posting, be mindful of the copyright and intellectual property rights of others. Do not use the Texas Exes logo or name to promote a product, cause, political candidate, or any other endorsement.
- **Terms of service:** Social media sites have their own terms of service. Make sure you obey these terms of service or your account with the site may be suspended.

Section 2: Guidelines for Social Media Use

- **Respect and Ethics:** We encourage different viewpoints and opinions, and as a participant in social media, you should too. Be respectful of others' viewpoints.
- **Accuracy and Honesty:** Double check facts and details before you post. Remember, once you post, it is out there. If there is a website you used to gather facts, provide the link for your readers to show accountability. Also, always write in the first person (we, us, our...). If you make a mistake, admit it. Your followers will be more willing to forgive and forget if you are up front and quick with your correction. Maintain a high level of quality that exhibits superior grammar, punctuation, and spelling.
- **Transparency and Disclosure:** It should be clear when posting opinions of any sort that views expressed are not necessarily those of Texas Exes.

Section 3: Best Practices for Social Media

- **Value and Interest:** When posting to your Twitter, Facebook, Instagram, etc., ask yourself if the content adds value and interest to the discussion. Make sure your comment, post, or tweet is a valued piece of information. There are millions of people, companies, and universities on the web. If you want to stand above the clutter, make sure you provide content that is exciting, engaging, and stimulating.
- **Planning:** Putting in place a social media calendar of sorts for the year can help to organize you on how to cross promote your material and the times of year when you know you will have big events and may want to do extra posts. Also, think about who on your board would be the best person to handle your social media needs and whether that is one person, or multiple people. Make sure you are consistently contributing content. You don't want to let your followers down by only posting a couple of times a year.
- **Join the Conversation:** Listening and responding to your constituents through social media sites is just as important as posting information. Make sure you are responding to posts and questions from your followers and fans. Remember that it isn't just about what you're saying: It is also about the connections your fans and followers are making to other chapter members through the site.
- **Be Brief and Link When Possible:** Ideally, posts should be brief; redirecting visitors to content that resides on another site. Whenever possible, link back to your chapter/network website or the Texas Exes website.

CHAPTERS & NETWORKS

Section 4: Social Media Tips by Platform

- **Facebook:** Most of our chapters/networks are well versed in the benefits that Facebook can provide, both in terms of communicating with current members and giving those who visit chapter events a place to connect with the chapter. Here are some ideas for Facebook:
 - **Events:** When creating events on Facebook, be sure to invite people! By inviting, you are promoting the event to go through other people's newsfeed who may not already follow the page. If a user says that they are “going to” or “interested” in the event, their friends will see it. This way, you are promoting the event/chapter or network page to a new set of people and expanding the opportunity to more.
 - **Interact:** Whoever is running the account should also be interacting with other accounts through the chapter/network page. This could be through following a page, liking a post, leaving a comment, etc. Please share the event with the Texas Exes Association Facebook page, or make Texas Exes a Co-Host of the Facebook event, so that the event generates more reach.
- **Instagram**
 - **Graphics:** When using or creating graphics, be sure to use an image that is fun and going to draw the eyes of your followers and limit the amount of text. Canva.com is a great resource for creating images.
 - **Interact:** Whoever is running the account should also be interacting with other accounts through the chapter/network page. This could be through following a page, liking a post, leaving a comment, etc. Be sure to do so with accounts that support the integrity of the account and Texas Exes.
- **Twitter:** Twitter can be a great way to get small pieces of information out in a timely way.
 - **Follows:** Following other pages is a great way to show your community support and engagement. Follow local known individuals, establishments, city staples, etc. Doing so will increase your Twitter appearance. Example: If you partner with a bar for game watches, be sure to follow, tag, and interact with their page.
 - **Retweets:** Retweeting is a way to be active online through others' content. Example: retweet important @texasexes or @UTAustin content that would be beneficial to your followers.
 - **Interact:** Whoever is running the account should also be interacting with other accounts through the chapter/network page. This could be through following a page, liking a post, leaving a comment, etc. Be sure to do so with accounts that support the integrity of the account and Texas Exes.
- **LinkedIn:** Many who join Texas Exes do so for the networking opportunities—if your chapter/network doesn't have a LinkedIn group established, this can be a great way to connect your members to one another in a more professional environment.

SPONSORSHIPS

While the Texas Exes offer a comprehensive list of benefits to members, many Chapters and Networks have started soliciting local businesses to offer additional benefits to members in their area, for example, working out a deal with a local restaurant to offer 10% off to all Texas Exes members. This helps to increase the benefit of membership at a local level while also helping the Chapter/Network establish a relationship with a local business that can lead to a sponsorship opportunity. Many chapters/networks look for sponsors to help underwrite the cost of events. This is a great way to keep the costs down at events while involving local businesses. **Chapters and Networks must report any sponsorship agreements and terms to Texas Exes Staff annually.**

Tips:

- Identify local alumni in your area who are either businesses owners or can help you gain a sponsorship.
 - If they have an existing relationship with UT, then they are more likely to say yes.
- When you approach them, come prepared with all the benefits their company will receive by sponsoring your event.
 - The association can give you a demographic breakdown for your Chapter/Network.
 - For example: We can tell you how many email addresses we have in your area, how many alumni we have in a certain age range, etc.
*(*Please note that the association or Chapter/Network **will not** share email or USPS addresses with sponsors)*
 - The more pertinent data you present them with, the more impressive.
- If appropriate, have several donation levels.
- Make sure to have a written contract once a sponsorship has been created.

What we can offer to sponsors:

- Their company name can be listed in the Chapter/Network's email broadcasts with a link to their website along with a sponsor logo (so long as there are no conflicts with Texas Exes Association sponsorship agreements).
 - Include the number of people/emails this will touch
 - Include how many emails will be sent
- Their name and logo can be printed on any paper mailings to local alumni, if appropriate.
 - Include the number of addresses

TEXAS EXES[®]

CHAPTERS & NETWORKS

- Their name and logo can be printed on any signage.
 - Indicate where the signage will be located and how many people will have access to the signage
 - Let them know at how many events will the sign(s) will be displayed
- Sponsorship credit can be published on the Chapter/Network website with a link to their website.
- Recognition with name and/or logo can be printed in *The Alcalde*, if the chapter is buying an ad for their event.
 - Sent to approximately 100,000 Texas Exes members
- Recognition can be displayed on tables at the event and the event program, if appropriate.
- Sponsors can receive complimentary tickets to event(s), if appropriate.

What to avoid:

- Anything that could jeopardize the Texas Exes non-profit status. If you have a question, contact the Texas Exes staff to help you find an answer.
- Sponsors of food/beverage, auto and energy- let the Texas Exes Staff know if you are interested in securing one of these areas of sponsorships. We may be able to assist you or suggest contacts.
- **Current Texas Exes Association Sponsors without speaking to Texas Exes staff first.**
- Any hyperlink should just go to the sponsor's main website and not to a page where there is an endorsement of the sponsor's products by Texas Exes or the Chapter/Network.

TEXAS RAFFLE REQUIREMENTS AND LAWS

Charitable Raffles and Casino/Poker Nights

The Charitable Raffle Enabling Act (“CREA”), permits "qualified organizations" to hold up to two raffles per calendar year, with certain specified restrictions.

The language of the law is very technical. If your organization is considering holding a raffle you should check the statute to be sure it qualifies, your organization qualifies.

In general, chapters/networks should avoid using the word “raffle” altogether for any events and replace it with “door prize” or “games”.

Penalties and Enforcement

An unauthorized raffle is considered gambling under the Texas Penal Code. Conducting such a raffle is a Class A misdemeanor. Participating in an unauthorized raffle is a Class C misdemeanor.

A county attorney, district attorney or the Office of the Attorney General (OAG) may bring an action in state court to stop a violation or potential violation of the Charitable Raffle Enabling Act (CREA).

**this information corresponds to Texas state law, check the raffle requirements within your state*

TEXAS EXES BRAND STANDARDS

Our Texas Exes Brand Standards allow for only two approved sub-brands: Chapters and Networks. Sub-brands must retain the characteristics of the parent brand as far as logomark and logotype and will vary only for each chapter or network name. In the past, Texas Exes chapters have had the freedom to develop their own variations on logos for each chapter. In order to maintain brand consistency, it is very important that each chapter follow the guidelines for sub-brands contained in our [Brand Standards Document](#). Maintaining uniformity between each chapter will make the organization more recognizable and increase brand recognition. Learn more online: <https://www.texasexes.org/about-us/brand-central>

Chapter and network leaders are required to submit any potential graphic design that includes the chapter/network name, logo, and/or Texas Exes protected marks for print or digital use to the Texas Exes Chapters and Networks Department for approval. Once approved by the Texas Exes Association, a chapter/network may use the approved design in marketing and promotional materials.

Some designs may require additional approval from UT Trademarks if the design includes any UT Protected Marks. Review the [UT TM website](#) and [UT Protected Marks](#) for additional information.

Note: The Texas Exes Association will submit any UT TM requests through an internal portal system. Your design must be reviewed and approved by the Texas Exes Association FIRST.

TEXAS EXES SCHOLARSHIP PROGRAM

Texas Exes Chapter and Network Scholarship Program

Texas Exes Chapter and Network scholarships benefit entering freshmen, transfer students, and/or students continuing their education at UT. Entering freshmen must complete the Texas Exes scholarship application by February 15th of the year prior to the fall semester for which they wish to receive an award. The deadline for currently enrolled and transfer students is March 1st. Local volunteers of active chapters/networks then review applications and make recommendations for award recipients. The Texas Exes Chapter and Network volunteer leaders also work year-round to raise the funding for their awards.

Chapters/networks may raise funds to award one-time annual scholarships through a scholarship exchange account or raise funds to endow a scholarship at the minimum levels outlined below. All chapters/networks are encouraged to establish one general endowment that can continue to grow and provide awards to students far into the future.

What is a scholarship exchange account?

Chapters/networks may establish a scholarship exchange account with the Texas Exes to hold funds which will be awarded directly to students without being invested. Funds submitted to these accounts may only be used for scholarships. The minimum one-time scholarship award is \$500.

What is a scholarship endowment?

A scholarship endowment is an investment account created with a monetary gift for the specific purpose of awarding scholarships in perpetuity. Generally, the intent is for the endowed asset to be invested with a long-term view and kept intact, and only the income generated by it is distributed annually for scholarship awards. The distribution available from endowments each year is a percentage of the endowment's twelve quarter market value average, as approved by the Board of Directors.

What if our chapter/network does not have a general scholarship endowment?

Texas Exes encourages each chapter/network to work toward the establishment of a general endowment account. General Texas Exes Chapter/Network endowments have the following features and criteria:

- \$15,000 minimum contribution
 - To be eligible for award, the principal contribution goal must have been met by March 31st of the prior year.
 - Chapters/networks may fundraise to meet the minimum contributions threshold over a period of up to 5 years.
 - Recognition in Hall of Honor once minimum threshold met.
- Standard name only (i.e., Texas Exes Dallas Chapter Scholarship Fund)
 - One general endowment account per chapter.
 - Chapter/network will determine number of awards available, award amounts, and any special recognitions. Chapters/networks may supplement the distribution from their endowment by remitting funds to a scholarship exchange account.
 - Chapter/network can specify if an award can be renewed, and for how many years.

What if an individual or group wishes to create a new endowment for a special purpose to support students through our chapter/network?

Often, individuals or groups wish to create special endowments in memoriam of others, or to create awards for specific types of students. These endowments are considered Named Chapter/Network Endowments and have the following features and criteria:

- \$50,000 minimum contribution
 - To be eligible for award, the principal contribution goal must have been met by March 31st of the prior year.
 - Chapters/networks may fundraise to meet the minimum contribution threshold over a period of up to 5 years.
 - Recognition in Hall of Honor and photo displayed prominently once minimum threshold met.

TEXAS EXES[®]

CHAPTERS & NETWORKS

- Specialized names allowed (i.e., Texas Exes Dallas Chapter Name of Honored Individual Memorial Scholarship Fund)
- Restrictions allowed include:
 - Student classification - entering freshmen, undergraduate or graduate only, etc.
 - Preference for financial need – The Texas Exes will determine an individual’s financial need based on information provided on their application.
 - Required residency – If endowing a chapter scholarship, residency restriction will automatically be specified as the area of that chapter.
 - Renewability – Can this scholarship be renewed? If so, for how many years and should a minimum grade point average be maintained?
 - Major/Area of Study preferences – A donor may select a recipient who is specializing in a particular area of study.
 - Other factors – Other restrictions, such as affinity affiliation, will be determined in final agreement.

Scholarship Selection

Texas Exes uses a standardized application review process for scholarship administration and will issue final approval for all awards. Training information and support for the review and selection process will be made available upon request.

If a chapter/network does not participate in selection for any given year and eligible candidates exist, the Texas Exes will select recipient(s) according to the eligibility listed in the endowment agreement with approval from the chapter.

Due to the sensitive nature of applicant information, any individual or entity representative authorized to review scholarship applications must formally acknowledge an understanding of the Texas Exes Scholarships Confidentiality, Document Security and Conflict of Interest Policy.

Scholarship Contributions from Individuals

Donations from individuals for chapter scholarships via secure credit card processing are available online; each chapter's site hosted by the Texas Exes includes a feature that allows for online donations.

Donation checks should be made out to Texas Exes and mailed to the following address:

Texas Exes _____ Chapter/Network

P.O. Box 142309

Austin, TX 78714

Scholarship Contributions from Chapters/Networks

Chapters may send funds to add to endowments at any time. Chapters may also send in funds to supplement a scholarship endowment distribution to increase the size of the award for a particular year. If a Chapter or Network sends in a check and the student declines the scholarship and there are no other candidates, the Texas Exes Scholarship Department will notify the Chapter or Network. Funds will remain in the chapter/network account for the following year.

If no eligible recipient can be found for a current year distribution, the funds will be retained in the scholarship endowment. The chapter will not lose the funds, the funds simply remain in the endowment and a new distribution amount will be calculated the following year.

Donation checks should be made out to Texas Exes and mailed to the following address:

Texas Exes _____ Chapter/Network

P.O. Box 142309

Austin, TX 78714

A remittance form must be included when mailing donation checks to ensure they are applied to the intended account.

Is there any financial support for chapters/networks raising funds for scholarships for the first time?

Yes, in an effort to help kick-start fundraising, the Texas Exes provides up to \$500 in a matching gift to each chartered Texas Exes chapter/network that awards a scholarship to a new UT student. To be eligible for the \$500 matching funds, chapters/networks must be contributing at least \$500 to the scholarship and must be in their first five years of awarding scholarships. Chapter Presidents and Scholarship Chairs will be notified in the first quarter of each calendar year as to whether their chapter will be eligible for matching funds.
