## Forty Acres Society

The Forty Acres Society is a special giving club created to offer alumni a way to advance academic excellence at our university. The Society brings together a community of leaders who are passionate about their alma mater and committed to paying it forward. Their gift directly supports the enrichment activities of the Forty Acres Scholars, including professional development, leadership training, cultural and educational opportunities outside of the classroom, and global experiences. Society members mentor and interact with the Scholars as well as network among fellow alumni. In addition, Society members regularly engage with university administrators and receive invitations to special programs not available to all alumni. Society members share a passion for academics, leadership, and creating the future.
