OUR STORY

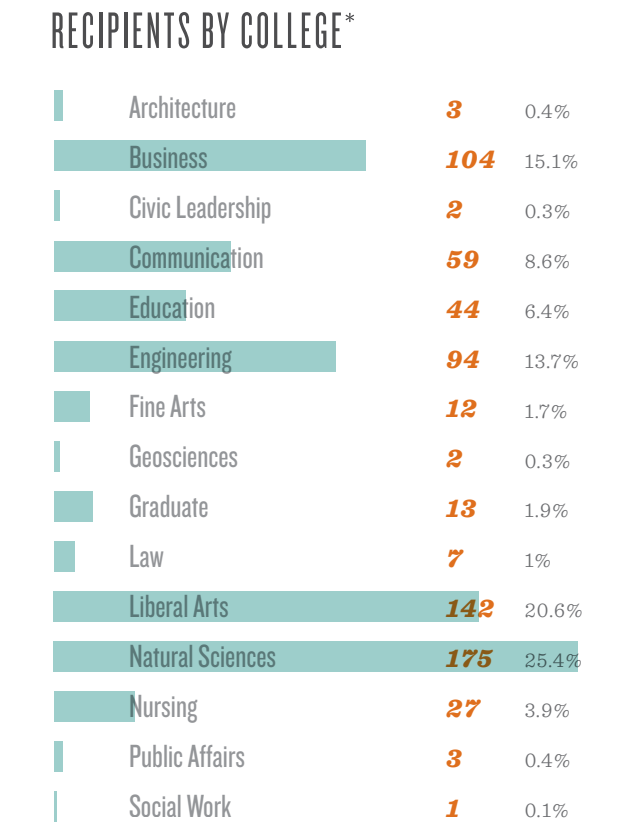

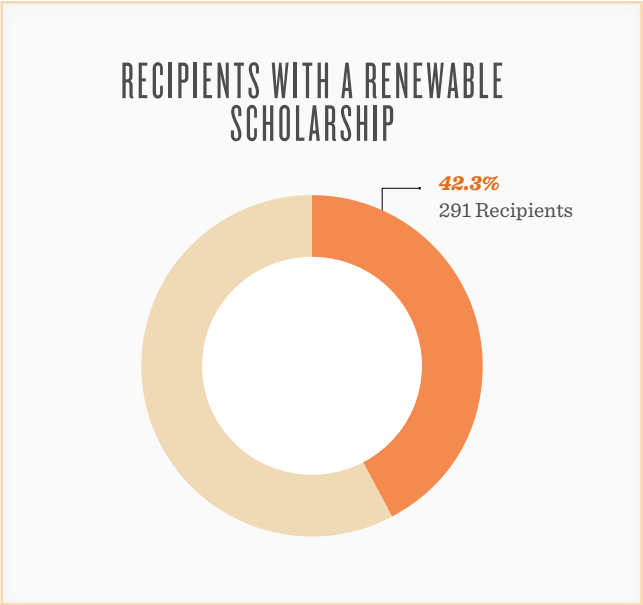

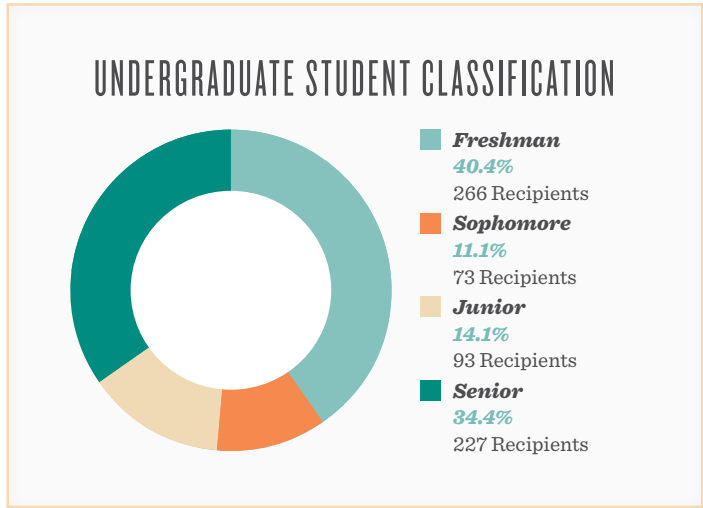

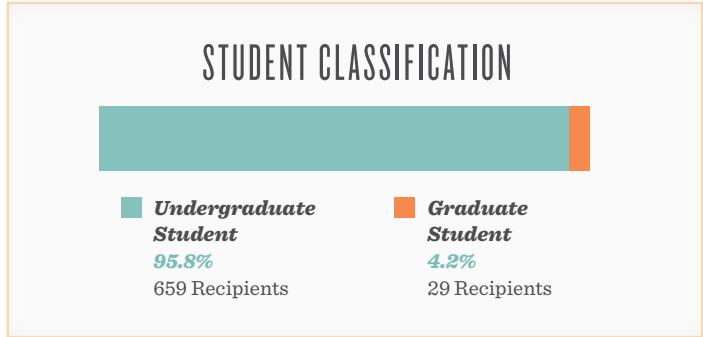

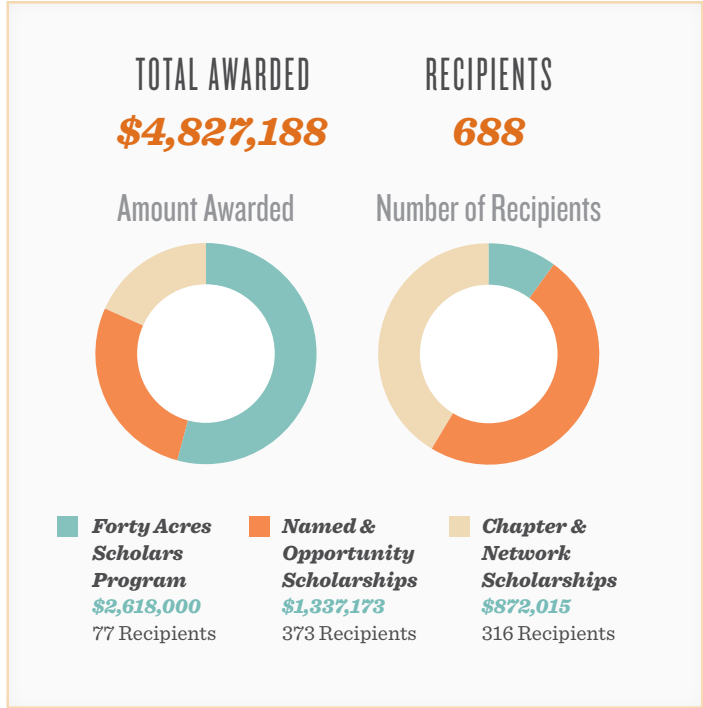

BRINGING THE BEST AND BRIGHTEST TO TEXAS

At the Texas Exes, our mission is to unite alumni and friends around the world, create a passionate voice that strengthens the University, promote alumni accomplishments, and celebrate Longhorn spirit and traditions. One of the ways we do this is by enriching the student experience from the moment they step foot on the Forty Acres to the day they walk across the stage to receive their diploma.

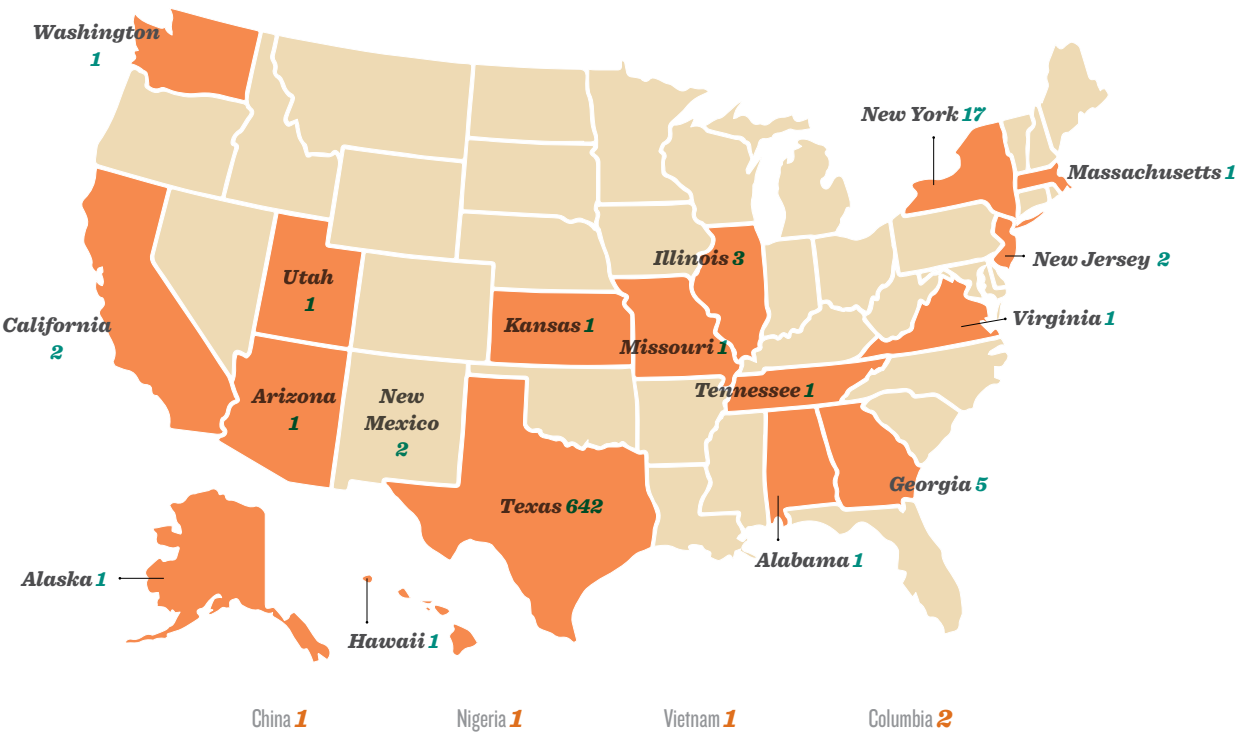

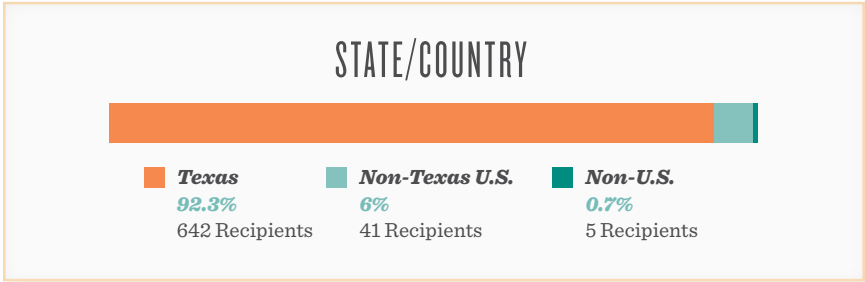

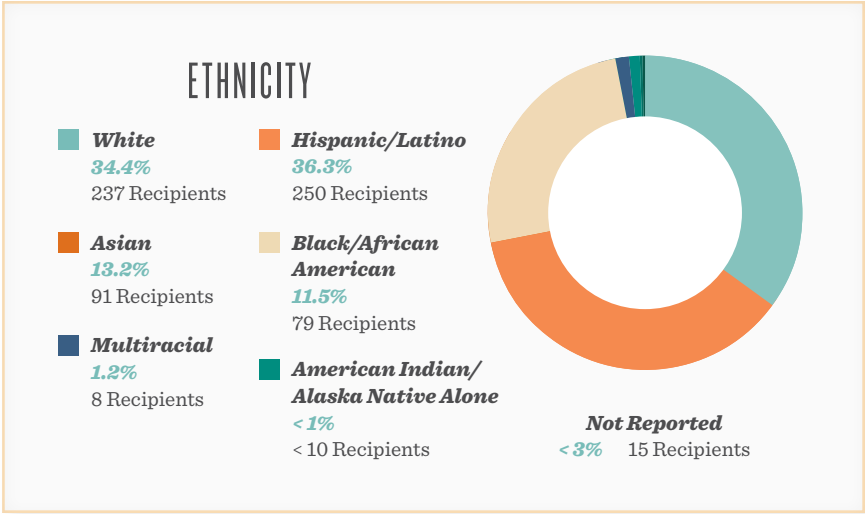

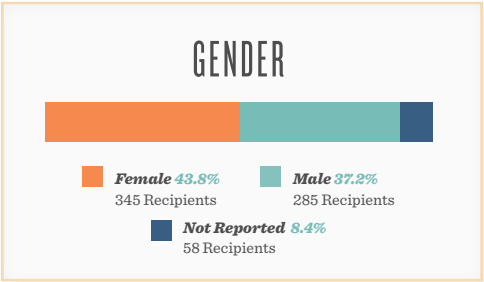

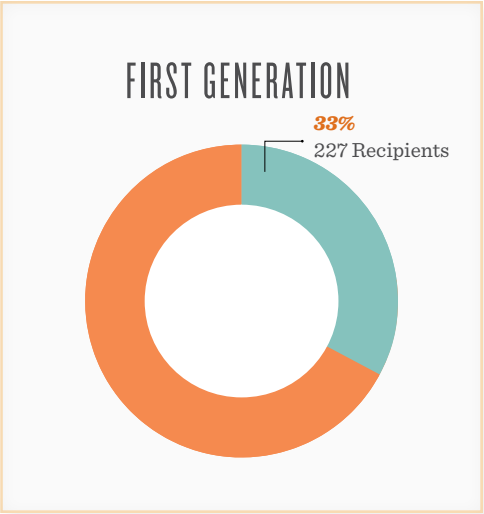

Since awarding our first \$100 scholarship in 1899, the Texas Exes’ scholarship program has become one of the largest alumni association programs in the country. As we have grown to more than 120,000 members, our efforts in this vital area have expanded enormously. In the 2025–26 academic year, we’ll award over \$4.8 million to approximately 688 UT students.

Scholarship awards help us attract the best and brightest students to Texas and help them use their talents to benefit society. Our hope is that these extraordinary students go on to become caring alumni who stay connected to their alma mater and mentor future generations of Longhorns.

Scholarship Stats

*Totals include students with more than one major.

NAMED & OPPORTUNITY SCHOLARSHIPS

NAMED & OPPORTUNITY SCHOLARSHIPS ARE established through the generosity of loyal alumni, friends, and supporters of The University of Texas who are committed to investing in student success. These scholarships serve as memorials to loved ones, pay tribute to the University, and support students from a wide range of backgrounds—including those from underrepresented groups, defined geographic regions, specific academic disciplines, student organizations, and economically disadvantaged families. All recipients have demonstrated leadership potential and academic excellence. Each scholarship reflects the unique vision and values of its donor.

In 2025, a total of \$1,337,173 was awarded to 373 students, including five newly established scholarships. These awards play a vital role in removing financial barriers and unlocking access to a world-class education for deserving Longhorns.

Awarded for the First Time

Carol Barrett Scholarship

RECIPIENT: **Chelsea Simpson**

This scholarship was established by alumni and friends of The University of Texas at Austin and the Texas Exes to honor Carol Barrett’s extraordinary 50 years of service and dedication to the Longhorn community. Presented to Barrett during a Texas Exes tailgate in 2023, this scholarship celebrates her lifelong commitment to improving the lives of UT students and alumni. It provides meaningful support to undergraduate students with financial need, helping them pursue their education and future with confidence.

Texas Bluebonnet Endowed Scholarship

RECIPIENT: **Sophie Orji**

This Plan II STEM scholarship supports exceptional undergraduate women at The University of Texas at Austin who are pursuing a dual academic path in Plan II and a STEM major. Reserved for Texas residents who have demonstrated academic excellence, it empowers driven students to explore interdisciplinary learning and innovation. Renewable throughout the student’s academic journey, it ensures continued support as long as the recipient remains enrolled full-time and is progressing toward her degree.

Roxana Corla MBA Scholarship

RECIPIENT: **Miranda Wood**

This was established by Roxana Corla to empower and recruit outstanding women pursuing their MBA at the McCombs School of Business at The University of Texas at Austin. This scholarship reflects Corla’s commitment to advancing opportunities for female leaders in business and supporting their academic and professional growth.

2024 Texas Exes Scholarship Dinner

Dr. Ralph Tillman Ferrell Scholarship

RECIPIENT: **Gregory Huang**

This scholarship supports incoming undergraduate students in the Cockrell School of Engineering, with preference given to those majoring in Chemical Engineering, from rural communities, or who are first-generation college students. Inspired by the Ferrells’ deep commitment to education and their strong ties to The University of Texas at Austin, this renewable scholarship helps open doors for promising students from underserved backgrounds.

Jerry Kin Lo (羅健) Scholarship

RECIPIENT: **Timmy Huang**

This was established to support undergraduate students in the Cockrell School of Engineering at The University of Texas at Austin, reflecting Lo’s desire to give back and help future Longhorns enjoy the same positive experiences he had. With a primary preference for students of Chinese descent, followed by those from Southeast Asia and LGBTQ backgrounds, this renewable scholarship promotes diversity and inclusion within the engineering community.

“As a graduate student who is also a parent, receiving the Dorothy and Jim Doyle Scholarship has lifted an enormous weight from my shoulders. Instead of worrying about how to make ends meet, I can focus on my research and be present for my son. At a critical time in my life, this support has provided a way for me to continue my education and build a better future for my family.”

CHAPTER & NETWORK SCHOLARSHIPS

ONE OF THE MOST TANGIBLE WAYS that alumni stay connected to the University is through participation in their local Texas Exes chapter or affinity network. Chapters are geographically based groups, both domestic and international, that engage alumni through social, community service, cultural, business networking, student development, and scholarship fundraising events. Networks are national groups organized around ethnicity, profession, or strong affinity to a UT student organization that engage alumni through events and philanthropy. There are more than 110 domestic chapters, 20 international chapters, and 10 networks across the globe. On the whole, 60 chapters and networks awarded \$872,015 to 316 students this year.

Herbert and Melba Boldt Memorial Scholarship

George Mulroy
Mulroy Family Scholarship

Delia Sifuentes
Ben and Delia Sifuentes Scholarship

“To whom much is given, much is expected, and frankly, to me, it’s almost a moral obligation to give back somehow, someway.”

—SUSANA ALEMAN, ALEMAN-WILSON CHALLENGE GRANT SCHOLARSHIP

GIVING BACK

YOU CAN BE A PART OF THIS TRADITION, too, with a contribution to the Texas Exes, which is a nonprofit 501(c)(3). Donations are tax-deductible and corporate matching gifts may be applied.

Our staff is available to answer any questions and guide you through the process of making a gift of stocks or mutual funds. Please contact us to learn more.

Each fall, scholarship recipients and donors get to meet each other and be recognized at our Scholarship Dinner. We hope to see you there!
