OUR STORY

BRINGING THE BEST AND BRIGHTEST TO TEXAS

At the Texas Exes, our mission is to unite alumni and friends around the world, create a passionate voice that strengthens the University, promote alumni accomplishments, and celebrate Longhorn spirit and traditions. One of the ways we do this is by enriching the student experience from the moment they step foot on the Forty Acres to the day they walk across the stage to receive their diploma.

Since awarding our first $100 scholarship in 1899, the Texas Exes' scholarship program has become one of the largest alumni association programs in the country. As we have grown to more than 120,000 members, our efforts in this vital area have expanded enormously. In the 2026–27 academic year, we'll award over $5.3 million to approximately 740 UT students.

Scholarship awards help us attract the best and brightest students to Texas and help them use their talents to benefit society. Our hope is that these extraordinary students go on to become caring alumni who stay connected to their alma mater and mentor future generations of Longhorns.

NAMED SCHOLARSHIPS

NAMED SCHOLARSHIPS are established through the generosity of loyal alumni, friends, and supporters who believe deeply in student success at The University of Texas. Some honor loved ones. Others celebrate the University, a hometown, a field of study, a student organization, or a family's commitment to opening doors for future Longhorns. Together, they reflect the personal vision of each donor and a shared belief that talent, leadership, and academic promise should have the chance to flourish.

In 2026, a total of $1,227,933 was awarded to 356 students, including three newly awarded scholarships. These awards play a vital role in removing financial barriers and unlocking access to a world-class education for deserving Longhorns.

CHAPTER & NETWORK SCHOLARSHIPS

ONE OF THE MOST MEANINGFUL WAYS alumni stay connected to the University is through their local Texas Exes chapter or affinity network.

Chapters are geographically based groups, both domestic and international, that bring Longhorns together through social gatherings, community service, cultural programs, business networking, student development, and scholarship fundraising.

Networks are groups organized around shared profession, interest, or affinity with a UT student organization. Through events and philanthropy, they help alumni deepen their connection to one another and to their alma mater.

There are more than 100 domestic chapters, 20 international chapters, and 10 networks across the globe. On the whole, 60 chapters and networks awarded $969,222 to 367 students this year.

GIVING BACK

THANK YOU TO OUR GENEROUS DONORS and alumni volunteers who have given their time, talent, and treasure to make Texas Exes scholarships possible each year.

You can be part of this tradition, too, with a contribution to the Texas Exes, which is a nonprofit 501(c)(3). Donations are tax-deductible and corporate matching gifts may be applied.

Our staff is available to answer any questions and guide you through the process of making a gift of stocks or mutual funds. For more information, contact **Laura Nettleton** at laura.nettleton@texasexes.org.
