HOW TO READ AND USE THIS HANDBOOK

This handbook was created to guide Texas Exes Leaders as they build their chapter. The handbook includes information ranging from the structure of the Texas Exes Chapter Program to event ideas for chapters to implement. It is intended to be a comprehensive resource for all leaders to use as they grow their chapter.

This handbook is divided into two major sections: the Summary Section and the Reference Section. The Summary Section will introduce important parts of the Texas Exes, the resources that are available, and some programs. It is designed to give you an overall view of the Texas Exes. The Reference Section goes into more detail on the Texas Exes and the resources available to chapter leaders, as well as introducing more programs available for chapters. If additional information on a topic is available in the Reference Section, there will be a note of the corresponding Reference Section page number.

Texas Exes

Who we are:
The Ex-Student’s Association, or commonly known as Texas Exes, is an independent, non-profit, membership-supported organization that exists to connect its members to each other and to the past, present, and future of The University of Texas at Austin.

Our Core Purpose:
To be an independent voice that champions the University, and to organize alumni and friends into a formidable network to change the world.

Our Vision:
The Association will be recognized as indispensable to the UT family, connecting and engaging supporters with each other and the University; together we will lead the charge for the University and its mission to be known worldwide as an institution of the first class.

Mission:
Though we carry it out in countless different ways, the Texas Exes' mission is simple:

To unite, inform, and involve alumni and friends for the purpose of promoting, protecting, and preserving The University of Texas.

Whether it’s through scholarships, teaching awards, legislative advocacy, The Alcalde magazine, or just plain fun (like hosting the world’s biggest tailgate party before every home football game), the Texas Exes exists to support The University of Texas and its proud traditions.

Strategic Priorities

Advocacy. We intend to dramatically ramp up our effectiveness at advocating on the University's behalf with any and all governing bodies.

Student Development. We will improve the student experience, from the time they are prospective students to the time they graduate and beyond.

Alumni Engagement. We plan to significantly increase alumni participation: more people involved, more often, and with higher quality programming.

Strategically Partner with The University. We intend to move from good friends to strategic partners with the colleges, schools, and units.

Communicate the Value of UT. Now more than ever, the University needs us to communicate its value to the people of Texas.
Did you know…?

…that in 2015-2016, Texas Exes gave out nearly $3.5 million dollars in scholarship money, allowing the great academic tradition of UT to continue? Texas Exes chapters contributed roughly $462,000 to the scholarship fund, giving scholarships to 259 students. This money was raised locally through the efforts of the local chapters, and the money stayed with local students.

...that Texas Exes works to inform legislators and decision makers? The Texas Exes has advocated on behalf of UT Austin almost since its inception. Past successes include cost recovery of research grants, securing funding for capital investment projects and passage of the local election for the medical school. UT Advocates continue to build relationships with elected officials, and when necessary get involved in the process in a positive way through Orange & Maroon Legislative Days, making phone calls, writing letters and visiting with decision makers to help support the university.

…that the Texas Exes strived to enhance the student experience by providing meaningful involvement through Texas Exes Student Membership, Camp Texas, Student Leadership Committee, student and faculty awards, alumni mentoring programs, and leadership development? During the 2015-2016 school year, the Texas Exes recruited dues-paying members and provided programming ranging from etiquette dinner programs to campus-wide spirit rallies. Camp Texas continues to provide incoming freshmen with meaningful interaction with UT faculty and staff, as well as important leadership development.

CHAPTERS

What is a Chapter?

Chapters, both chartered and non-chartered, are local affiliates of the Texas Exes. Texas Exes Chapters fall into four different categories based on the prior year’s accomplishments. In order to better allocate resources and champion The University, each category is allotted different resources. To learn more about these resources and requirements/expectations for your chapter, click here.

The various resources available to Chapters are more fully explained in the Reference Section.

The chapter year runs from July 1st to June 30th, same as the Association’s year. Chapter charters must be renewed every year, which is accomplished by filling out and sending the required forms in to the Chapter Office in Austin (required forms vary based on category). All forms must be completed and returned by June 1st. Once the forms are received, the charter for each chapter is approved at the Texas Exes Board of Directors meeting in July. A detailed explanation of the process and the documentation required for renewing a chapter’s charter is located in the Reference Section.

Chapter Events and Activities

Texas Exes Chapters around the world have put on events ranging from formal seated dinners to game watching parties, from fun runs and fishing tournaments to community service activities. Any activity that gathers UT alumni for the purpose of connecting with one another, promoting higher education, raising money for scholarships, or just having some fun, makes a good event for your chapter. Alumni have varied interests, so it is important to have a calendar with a variety of events to attract a wide range of alumni. Those alumni not interested in attending a monthly happy hour might be interested in attending a speaker event. We encourage chapters to participate in two categories of events: Key Priority Events and Social Alumni Engagement Events.
This **Event Planning Toolkit** offers tips and ideas for putting on successful events.

More information can be obtained from your Chapter Advisory Board representative listed on pages 18-19 in the Appendix Section.

**Texas Exes Scholarship Program**

Texas Exes Chapter Scholarships benefit entering freshmen, transfer students, and/or students continuing their education at UT. These students are selected by Texas Exes members who volunteer with their local chartered chapter. The Texas Exes Chapters’ volunteer leaders also work year-round to raise the funding for their awards.

Chapter Scholarship Chairs and Presidents will be contacted in the fall to prepare their scholarship committees. Training information and support will be available for the review process.

Chapters may endow a scholarship with a $15,000 minimum. The amount available for distribution each year is 4.5% of the 12-quarter endowment average. All Texas Exes Chapter scholarship funds are to be managed by the Texas Exes, under the leadership of the Association's Investments Committee. If a chapter is interested in creating an endowed scholarship, please contact Jalys Mabry at jalys.mabry@texasexes.org

Chapter scholarship donations via secure credit card processing are set up online; each chapter's site hosted by the Texas Exes features a tool so that chapter supporters may make an online donation. Donation checks should be made out to Texas Exes and mailed to:

Texas Exes
Attn: Scholarships Department
P.O. Box 142309
Austin, TX 78714

Please note: Donations to an endowed scholarship account will only be returned with express written approval of the TESF Board of Directors; donations to a pass through scholarship account for which no eligible recipient can be found will generally be retained in the account for award the following year. Funds not awarded may be returned upon written request of the original donor.

Matching funds equaling $500 will now only be available to chapters in their first five years of consecutively awarding scholarships. These funds will be used to help chapters award scholarships to recipients. Chapter Presidents and Scholarship Chairs should have received a letter in July informing them of whether or not their chapter will be eligible for the matching funds this year.

For information on Chapter Scholarships, please contact: TexasExesScholarships@texasexes.org. The Scholarships Department will monitor the inbox and respond to questions.

**Communications and Publicity**

The Association provides a variety of ways to help Chapters spread the word to alumni about their activities:

*Chapter Website*

Each Chapter is encouraged to have its own website. The Texas Exes can host a website for the chapter; maintenance of the site is up to the Chapter.
Emails
Texas Exes will send out emails to all alumni in your area, based on category allotment. This is an efficient, cost-effective way to share information about the Chapter to your constituents. Chapter emails are sent out on Wednesdays, Thursdays, and Fridays of each week.

Paper mailings
This resource for the 2017-2018 year varies dependent upon chapter category. For your chapter’s paper mailing allotment, please reference this chart. The paper mailings available to chapters are in the form of either a postcard or tri-fold invitation. Any specific paper requests will be at the chapters’ expense.

Public Relations
Getting coverage in the local news helps both the local Chapter as well as Texas Exes. Having local coverage of your event reaches potential new members in your area, raises awareness of your group, the Association and UT, and highlights the benefits of membership in the local group and in Texas Exes. For help with public relations for your chapter, click here to view the PR Toolkit.

More detailed information on each of these items is available in the Reference Section.
